Top 10 Room Diffuser Oils in UAE

Shop Online | Scentscircle

The right diffuser oil doesn't just scent a room — it sets the mood the moment you walk in. In UAE homes, where air conditioning runs all day and spaces range from compact bedrooms to open-plan living areas, fragrance has to work harder to hold, travel, and stay true.

01
Lavender Fragrance Oil

Best for: Bedrooms, relaxation spaces, home offices

Opens with fresh eucalyptus, settles into soothing lavender, and finishes with a gentle herbal base of thyme. Clean, calming, and balanced — ideal for daily diffusion in bedrooms and quiet spaces.

AED 75 – AED 600

02
6th Sense Fragrance Oil

Best for: Living rooms, all-day diffusion, large homes

Top notes of lime and pineapple open brightly. A floral heart of jasmine, magnolia, and freesia leads into a warm base of amber, musk, patchouli, and sandalwood. Versatile and long-lasting.

AED 75 – AED 600

03
Ocean Breeze Fragrance Oil

Best for: Bathrooms, home offices, entryways

Opens with crisp ocean waves, bright citrus, and delicate florals — muguet and jasmine. A heart of hyacinth, rose, and carnation adds depth, while a warm base of orange, bergamot, and subtle woods lingers cleanly.

AED 150 – AED 300

04
Sense Fragrance Oil

Best for: Living rooms, guest areas, everyday diffusion

Shares a similar structure to 6th Sense — lime and pineapple top notes, a floral mid of jasmine, magnolia, freesia, and muguet, with a warm amber-musk-patchouli-sandalwood base. Refined and well-rounded.

AED 160 – AED 320
